

# THE MOST COMMON DREAM IN EVERY COUNTRY

We are all human, but that doesn't mean we all dream about the same thing when we hit the hay. We wanted to find out the most common dream in every country, so we used Ahrefs to analyse Google search volumes for different dream types.

The most Googled dream in the world is about **snakes** – 52 countries Google this dream more than any other. To see a snake or be bitten by one in your dream can signify hidden worries, according to dream theorists. The next most Googled is the dreaded **teeth falling out** dream (17 countries), which might imply a lack of self-confidence.
